Currently working

on a PhD in Public Administration at VaTech

Major Personal Events over the past 25 years

Marriage 1971, divorce 1982. Lived in Boston suburbs 1971-77, Kansas City 1977-86, Wash. D.C. suburbs 1986 to present. Worked on PAA programs 1971-73, 1990-93; DoD programs 1973-90 (mainly C3I systems). Experienced and fought a lot of discrimination on the job - both gender and religious - and survived.

Current Job Title/Occupation Currently unemployed and President of own consulting company - looking for business

Career History

1971-72 Programmer at CSE; 1972-73 Staff at Lincoln Laboratory; 1973-76 Staff at MITRE Corp.; 1976-77 Engineer at ASEC; 1978-86 GS-11-13 Engineer at US Army CACDA; 1986-90 Staff at Institute for Defense Analysis; 1990-91 Staff TRW; 1991-93 Engineer TPI Inc.

Volunteer Activities, Hobbies, & Interests

Pets: 2 dogs, 1 cat; NCJW Bulletin editor; synagogue member

Most Vivid MIT Memories

Being a woman at MIT was wonderful! I loved Course VI and the MIT Concert Band. Band tours were great! I was very happy at MIT.

Comment on Life and the Universe

This world is not ready for intelligent women. Women need better preparation to deal with this world. I still believe there is an ultimate justice for all mankind.

 Home *(408) 741-1686* Office *(408) 243-2662* Fax *(408) 243-2663*

Spouse's Name *Agnes*
 Children's Names and Ages *Joyce (16), Kevin (14)*

Additional Degrees *SM (70), EE (71), PHD (72) MIT*

Major Personal Events over the past 25 years
I moved to California in 1975. There I met and married Agnes. We lived for one year in Montreal while I worked on an economic study of Bay of Fundy Tidal Power. We returned to California and raised a family. Apart from work, we formed a partnership and built and operated a hotel for a few years. Affected by the June 4th 1989 event in China, I helped organize The 1990 Institute, a think tank for the study of economic reform in China.

Current Job Title/Occupation *President of my own consulting firm in electric utility planning*

Career History
1972 - 1975 Stone & Webster Engineering Corporation, Boston, Mass.
1975 - 1979 Systems Control, Inc., Palo Alto, California
1979 - 1985 Energy Management Associates, Inc., Santa Clara, California
1985 - now Electric Power Consulting, Inc., San Jose, California

1969

1994

Volunteer Activities, Hobbies, & Interests
The 1990 Institute, Asian American Tennis Foundation, reading, Tai Chi, singing, dancing, photography.

Most Vivid MIT Memories
Endless grey corridors. 24-hour library sessions. Seconds in Walker Memorial. Nerve-wrecking exams in Freshman year. LSC movies (e.g., Dragon Inn). Protests against tuition increase.

Comment on Life and the Universe
I wish I had taken more time at MIT instead of rushing through the SK degree in three years. Life has more meaning than just being a successful professional. Seek and you shall find. The answer is within you.

At home with my family
